

## "Enjoying The Great Outdoors"

When it comes to the outdoors GAMMA has lots to offer. In the past we have camped at Devil's Lake, Door County, Governor Dodge State Park, as well as trips to Loon Lake and other destinations. Our bike trips have explored the Glacial Drumlin Trail, the Elroy-Sparta Trail including the old train tunnels and more. We've been escorted on Ghost Walks, Historical Walks, Loft Walks, and Garden Walks. Hiking at Devil's Lake or in the Kettle Moraine or along the Milwaukee River we've done it all. Our events are limited only by the imagination of our members.
